## Major Parts

"Part" means any component of a motor vehicle which may be separated from the vehicle or any replacement for such a component. Major parts as defined in s.943.23(1)(b) Wis. Stats. include engine, transmission, each door, hood, grille, each bumper, each front fender, deck lid, tailgate or hatchback, each rear quarter panel, trunk floor pan, frame or supporting structure which serves as the frame, any part not listed which has a value exceeding \$500.00, any motorcycle part not listed under this subsection which has a value exceeding \$150.00

**Definition: "Bill of Sale"** means a document describing the sale of a vehicle or a part of a vehicle, containing a description of the transaction, including the name of the major part; the model year, make and identification number of the vehicle from which the major part was obtained; the date of the transaction; the signature of the person selling or disposing of the major part; the name of the customer and the amount paid for the major part. If the vehicle from which a major part was obtained is not known or determinable by the seller, the bill of sale shall identify the seller and state that the source is unknown.
